Program: **Transplanting Orchids Is Simple**
Speakers: Clem Roldan and Fern Fernandez

Clem Roldan and Fern Fernandez, long time growers of orchids will share their insight of transplanting orchids. It's always good to learn the different techniques and be able to apply it to your plants from seasoned growers. This presentation is a must for all amateur growers and a review for all who have been growing orchids a long time.

MAHALO NUI LOA

Thank you Dr. Janice Uchida for sharing your knowledge and updating information on viral diseases of orchids. We also thank the Refreshment Committee and following members who brought in goodies to share at the September meeting - Dr. Janice Uchida - two cakes from Liliha Bakery; Jackie Lai - Fresh Watermelon; Audrey Yatsutake & Barry DeBlake - Lychee Yellow Cake; Laura & Hilton Lui - Tuna Sandwiches & Pickles & Ice for beverages; Charlotte Yamamoto - Mountain Apple Coffee Cake; Dorothy & Harry Abe - Fresh Pink Jabong; Refreshment Committee - Egg Salad Croissant Sandwiches, and Chilled Beverages.

SINCEREST MAHALO. The Honolulu Orchid Society continues to receive numerous donations to the Florence C. Kodama Fund. The Society and the Ben Kodama Family appreciate the generous donations that have been received. The fund which was established in memory of the late Mrs. Florence Chitose Kodama, wife of Ben Kodama, Sr., will be used to promote the culture of orchids in Hawaii.

BEREAVEMENT. Once again we feel sadness in the orchid world with another long time member of HOS returning to Heavenly Father to continue her journey back home. Trinidad Nani Kaonohi, who passed at the end of August, was our long time Corsage and Flower Arrangement Committee Chair at our annual orchid shows. She was so generous in giving and sharing her time and talents for the society. Aunty Nani as she was lovingly called by her family and all who worked with her at the Halekulani leaves a deep abyss in our hearts. Our deepest sympathy to her dear sisters and family.

A GOOD DEAL! Mahalo to Ben Kodama, Sr. for his generous donation of blooming dendrobium plants to HOS to sell to members for \$2.50 each. All funds collected from the sale went to the Florence C. Kodama fund. Who knows what bargains await you at our general meetings.
