

1-3 pounds chicken
3/4 cup brown sugar

1 cup shoyu
1 cup pineapple juice

In a pot combine brown sugar, shoyu and pineapple juice. Next add the chicken and turn heat on high until it starts to boil. Boil for one minute, then turn down to medium-low heat and cover the pot. Let it cook this way for 45 minutes. It's done! Chicken peels apart easily and is so ono, everyone will be asking you for your secret recipe! The recipe may be doubled, tripled, etc.
