**Proposed Change to HOS By-Laws** by Mei Waki

The Honolulu Orchid Society Board of Trustees is recommending a change to the Society By-Laws to reduce the number of the members required for a quorum from fifty (50) to thirty (30). The Board believes this amendment is important because the Society by-laws state that the bylaws can only be amended at a meeting of the Society in which a quorum is present and recent experiences suggest that it may be difficult to get fifty members present at a meeting. The proposed change to the By-Laws will be put to a vote before the membership at the Society's September 13, 2017 meeting. At least fifty members of the Society must be present at the meeting before the proposed change can be put to a vote.

The Notice of Proposed Change to the Bylaws of the Honolulu Orchid Society Incorporated can be found by going to our website [honoluluorchidsociety.org](http://honoluluorchidsociety.org) and viewing **Notice of Proposed Change**.
