MAHALO NUI LOA

Mahalo to all who attended last month's virtual membership meeting "Honohono Varieties" presented by **Jan Takamiya** through Zoom. Thank you, **Jan**, for enlightening all those present to the many varieties of Honohono and how to plant and care for them. They are so beautiful when in full bloom. Magnificent! Mahalo also to **Jan and Bennie and Winnie Sambrano** for donating the Honohono orchid plants for the giveaways at the end of the meeting and to **Jan and Mel Waki** for coordinating the distribution of the plants to the lucky winners. **Bennie and Winnie** donated Dendrobium Little Sweetscent 'Winnie Sambrano'.

Following **Jan's** presentation, **Mel Waki** conducted a Spring Orchid Auction featuring orchid plants from three nurseries: **Kalapana Tropicals** of the Big Island, **Tropical Orchid Farm** of Maui, and **S&W Orchids** of Waianae. HOS member **Ben Kodama, Jr.**, also donated a Cattleya species plant for the auction. The auction generated more than \$700, which will be used to fund Society activities. We thank the donors for their generous donation of the plants and all who participated in making the auction a success.

Monetary Donation. Mahalo **Kate Leonard** for your generous monetary donation. We appreciate your continued support!

Recipe of the Month

Honey-Mustard Chicken Wings

(from tasteofhome.com, Susan Seymour, Valatie, NY)

For a change from spicy Buffalo sauce, try these sweet and sticky wings. There's a good chance they'll become your new favorite!

Ingredients:

4 lbs chicken wings
½ cup spicy brown mustard
½ cup honey
¼ cup butter, cubed
2 tbsp lemon juice
¼ tsp ground turmeric

Instructions:

Preheat oven to 400 degrees. Line two 15x10x1-inch baking pans with foil; grease foil. Using a sharp knife, cut through the 2 chicken wing joints; discard wing tips. Place remaining wings in prepared pans.

In a small saucepan, combine remaining ingredients; bring to a boil, stirring frequently. Pour over wings, turning to coat. Bake 30-40 minutes on each side or until wings are glazed and chicken juices run clear.

(Review Comments of Recipe: Watch the baking time. Several reviews said baking time was too long to cook on each side; and that their wings were cooked within 15-20 minutes per side.)
